## Friends of the School Term Two Newsletter

Dear Friends,

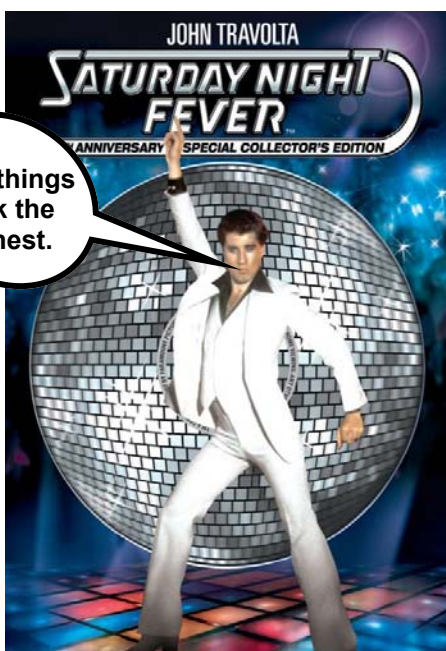

This term the Friends of the School have three things planned for you: a pizza lunch, sausage sizzle and a disco.

The pizza lunch will be held on Thursday May 29. Orders need to be in by next Monday, May 26.

For \$4 you will receive two pieces of Pizza Hut pizza - yes! count 'em:  $1 + 1 = 2!$  AND a biscuit as well. What a compelling comestible combo comrades. What will you choose? Hawaiian or Meat Lovers? Pizza mmmmmmm.

A date is yet to be confirmed for this sparkling event but start practicing your dance moves now. Ask a properly-trained adult to demonstrate the Brooklyn

### Ready for Anything

Goalie Henry Crafar and coach Mr Katene show off the new hockey safety equipment donated by Friends of the School. The impressively-safe goalie gear was required to allow the team to compete in higher grades. The red suit is guaranteed to repel anything except kryptonite.

### Subway Lunches

The Friends of the School also look after the Subway lunches on Fridays. Use the order forms that have come with this notice or collect more as needed from the office.
